

REMARKS

Claims 1-90 are pending. Claims 31-90 have been withdrawn. This Response to Restriction Requirement is responsive to the Office Action mailed August 10, 2007 restricting claims 1-90 into two groups: Group I, claims 1-30, drawn to a dual imaging device and method of imaging using a dual imaging device and Group II, claims 31-90, drawn to an optical imaging device and method of optical imaging. Applicants elect for examination Group I (claims 1-30), without traverse.

Applicants believe that this constitutes a full response to the outstanding restriction requirement. To facilitate prosecution, however, Applicants request that the Examiner contact the undersigned for any clarification necessary.

No fee is believed due; however, the Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment to Deposit Account No. 14-0629.

Respectfully submitted,

NEEDLE & ROSENBERG, P.C.
